

APPENDIX II
PARKING CONTRACT
Between Nashoba Valley Technical High School and:

Student Name

Year of Car _____ Make of Car _____ Plate Number _____

Color of Car _____ Student I.D. _____ Year of Graduation _____

Nashoba Valley Technical High School agrees to provide the privilege of parking a private vehicle on school property, to a registered student, for the following conditions and subject to the regulations indicated herein.

- Parking permits are issued through the Dean's Office and Class Dues must be paid in full for the next school year or a sticker will not be issued. The student who is assigned the parking permit is responsible for passengers and everyone must wear a seat belt. If a student drives a different car to school, the Dean's office must be notified.

- The student must display a parking permit on the rear driver's side window. The student will drive slowly and safely on school property, not exceeding the speed limit (15 MPH) and obey the directions of the parking monitor at all times.

- Student must obtain a pass from the Dean's Office to go out to car during the school day. Student do not have permission to give away their parking spots. Students are not allowed to park vehicles in front of the building or at the Early Child Care Facility and will be responsible for towing charges for parking in undesignated areas.

- The Gutierrez Company who owns the property directly across from Nashoba Tech down to the Emerson Building and as far back as the Hampton Inn has informed us, per their liability insurance policy that students are NOT permitted to park on any property on Technology Park Drive. In violation of this order, the owner of the vehicle will receive a parking citation and be responsible for all towing expenses.

- Students who park their vehicles on school property do so at their own risk, assume any and all liability connected with the vehicle in any way. Nashoba Valley Technical High School assumes no responsibility for any articles found missing from, stolen from, or any damages to the vehicle.

•This agreement may be amended by notification and shall become part of this agreement. Any violation of school policy or crime committed on the premises may be deemed as sufficient cause to void this contract. Severance clause: if any part of this contract is found to be in violation of any local, state, or federal statutes, its violation will not negate other agreements formed in this agreement.

•Persistent tardiness is grounds for suspension of a parking permit. More than three (3) tardies in a marking period or five (5) tardies in a school year will result in removal of parking privileges.

This application, along with a copy of a student's driver's license and registration must be turned in by August 1st, in order to receive a parking sticker for the next school year. Parking stickers will be available for pickup one week before school starts on a designated day to be announced.

I, _____, consent and agree to searches for the limited purpose of finding dangerous or illegal items or substances, and I give the school, through its agents, permission to search the vehicle identified in this contract for that purpose at any time. I agree that any violation of these parking regulations may result in suspension or revocation of my parking permit and the privilege of bringing my car to school.
