

## **Feeney Brothers Utility Services –Driver**

Founded in 1988, Feeney Brothers has grown rapidly in recent years to over 650 employees. Feeney Brothers provides diversified infrastructure services to the natural gas, electric, water and telecommunications industries. Feeney Brothers specializes in underground utility installations for clients such as National Grid, Eversource and Columbia Gas. As a result of the emerging natural gas revolution, along with the aging underground utility infrastructures in New England, our business is uniquely situated for continued growth. Due to our expansion, Feeney Brothers is searching for talented and motivated individuals to join our team, learn our business and help us continue to grow and improve our services.

Feeney Brothers offers an outstanding, competitive compensation package. From their date of hire, employees have access to our Employee Assistance Program, 1<sup>st</sup> Responder Bracelets and ten paid holidays. Paid vacation time is offered and accrued monthly. After 90 days, employees are automatically enrolled in our 100% employer paid Lincoln Life Insurance and offered Harvard Pilgrim HealthCare, MetLife Dental Insurance, and a Principal Investment 401K employer matching program (eligible to contribute after 6 months). We also offer employee-paid short-term and long-term disability as well as supplemental life insurance up to \$500k.

---
