

Nashoba Valley Technical High School

We Believe • We Succeed • / #trueblue

May 24, 2019

Hello Nashoba Tech Community,

I want to take the time to share a decision I have made, after much reflection, to step away from the Principalship here at Nashoba Tech at the end of this school year. I have accepted a position as an Athletic Director in another district. I have been honored and proud to be a part of the Nashoba Tech Community for eighteen years as an employee and Nashoba Tech graduate as well. I am personally so grateful for all the opportunities Nashoba Tech has afforded me and for the many Nashoba Tech students, families, and staff members I have met along the way. This was a very difficult decision and although I have decided to move on to a new role in a new phase in my life, I will always be a part of the NT family and a proud alumnus.

Sincerely,

Matt Ricard
