Admissions News

We are still accepting applications to NVTHS for the class of 2023! If you know of any families with students interested in exploring Nashoba Tech, either as an incoming freshman or a potential transfer student, please let them know to visit our admission page at <https://nashobatech.go2cte.com/> for details and/or contact our Student Services Department at (978) 692-4711 and press option 5 for guidance, or extension 11123..

A Note from the Nurse

9th and 11th graders

This is just a reminder that the Massachusetts Department of Public Health regulations request documentation of a recent physical examination for all transfer students and 11th graders. If your child has had a physical exam in the past year and you have not yet sent a copy to school please do so at your earliest convenience. If your child has not had a physical in the past year please take the time to schedule one.

This good health practice exists for the prevention and early detection of health problems as well as for the protection of all children in our school.

Thank you for your cooperation.

Pat Trahman, School Nurse
