

# Nashoba Valley Technical HS

## We Believe. We Succeed / #trueblue

Good Afternoon Nashoba Tech Community,

Last week we let you know of our phone system upgrade and I just want to clarify that if you are calling in your child's absence for the day please DO NOT use the 5000 extension anymore – you just need to press **Option 2** for the **attendance line**. Thank You for your attention to this. We have attached the Phone directions again this week for those that missed it last week.

I want to give a shout out to Cross Country Senior Captain [James Kimball](#) who on Wednesday November 7th, Captured **first place overall**, at the Massachusetts State Vocational Championship Meet in Wrentham. James covered the 3.1 mile course in just 17:41, beating his closest competitor by 15 seconds. James' first place finish also helped lead Nashoba Tech to finish as Division 2 Runners-up for the second straight year. Other top finishers included Mason St. Pierre 3rd, and Robert Paris 6th. James, who is a legally blind athlete, has already won the CAC Championship crown, is a three time all-star and has set a school and course record. James is a Boston Globe All Scholastic Athlete, and is today's Lowell Sun Star of the Day! Congratulations James!
